Old Business:

Ed discussed a meeting to resolve problems at the repeater site. The fire association was very cooperative with using our site. They are still trying to resolve some transmitter issues.

We had a work day to put a new floor in the east repeater site. David donated supplies and multiple members made quick work of the installation & clean up. We are waiting on the weather to dry up to complete the trenches and set the tower.

New Business:

Reminder: Dues are due in January. \$20 for an annual membership. Life Membership is \$125.

Election of officers for 2019: Floor opened for nominations. Johnny Burnett motioned for all officers to remain in their current positions. Steve Moon seconded. Result: Current officers will continue to serve in 2019.

Program:

Dr. Rob Suggs (NN4NT) from NASA was the guest speaker. Rob presented data from the 2017 eclipse propagation studies, showing how the band conditions changed as the eclipse shadow approached and departed. Thanks to Rob for the fine presentation.
