Old Business:

Repeater site: Billy Alexander is still working on the base. EMA Backup generator is repaired.

Neal Taylor, former member, was discovered to have leukemia and is need of our prayers. Sonny visited him and discovered the cancer is incurable. Johnny led a prayer on his behalf. Ed offered a memory of a roving trip they made around the southeast. They started a club called N4DXY. They went maritime mobile on a pontoon boat at Bear Creek, working multiple grid squares. Rex shared a memory of how Neal helped him get started in HF.

Lile Bickley was scheduled to have knee surgery Sept 18th. Lile sent a text saying he had brain surgery two weeks ago.

New Business:

Broadcastify is down. The County Commission contracted with a new IT provider at the EMA office, which caused many systems to go down.

Work day: ?- Goal: Pour tower base and possibly set conduit.

Johnny Burnett is working with Billy to get the tower base built. Tom is trying to find inexpensive PVC 3" conduit.

Rex met with Harley who donated some CAT controllers for the new site. Bubba (from Rick & Bubba) will be making repeater announcements tapes.

Someone mowed and trimmed the 96 site.

The batteries went down on the 96 site. Tom put the controller on a power supply until we can replace the battery. One battery has been donated. Steven and Ed will check the existing batteries to see if they can be restored and recharged.

Johnny Burnett has a gin pole that can be used by club members.
